How to Pay Contributions and Charges using Qkr! by MasterCard

Payments can be made via Qkr pronounced ‘quicker’ an easy-to-use online payment application that is used for payment for contributions and charges and school excursions and events.

Qkr can be used on smartphones, ipads, tablets, laptops and desktop computers. Qkr is a product created by Mastercard and comes with all of their security and can be used with numerous types of credit cards.

This document presumes that you have already registered for Qkr. If not, please refer to the ‘How to Download, Setup and Make Your First Payment’ step by step guide on our website under the ‘Back to School’ icon from the home page under the heading Qkr (quicker) Online Payment Application heading.

Open Qkr
Tap on Applecross Senior High School

Tap on School Payments
Tap on the correct Contributions & Charges item choosing from the 3 Year group options, Years 7-10, Year 11, Year 12.

Tap on the white circle radio button to enter the amount for Compulsory Charges – Elective Subjects.

At this stage you will need your Contributions and Charges Statement for your Student to know what the amount is to pay. Enter the amount from the statement and press OK.

Tap the blue Add to Cart from the top right of screen.
Tap on the Shopping Cart icon and swipe to finalise the payment.
